**Oak Park Gazebo**

ANNUAL REPORTS  
**GREENFIELD, N.H.**

for the Year Ending December 31, 1992

### DEDICATION

Anne (Mimi) Carbee was the recipient of The Boston Post Cane at a special ceremony held in December, she and her family moved here as permanent residents in 1948 after spending summers here since 1930. They started the Greenfield Industries in the former Hopkins family store. She has been active throughout the years in the church, the church sunday school, the woman's club and other services to the community. She still has an interest in the family business and runs the gift shop several days a week.

### On the Cover

The Oak Park Gazebo, built in 1990, was funded by both a generous donation from the Greenfield Woman's Club and through funds raised by the Oak Park Committee.

Designed and built by Andrew Marsh.

Drawing by Rachel Courtney.

## TOWN WARRANT

### Town of Greenfield State of New Hampshire

To the inhabitants of the Town of Greenfield in the County of Hillsborough and State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Meeting House in said Greenfield on Tuesday, the ninth day of March, next, to act on the following subjects. The polls will be open at the Town Meeting House from 10:00 A.M. to 7:00 P.M.

Article 1A: To choose all necessary town Officers for the year ensuing.

Article 1B: To vote by ballot on six proposed amendments to the Zoning Ordinance, plus one on property tax assessment exemption.

### Zoning Ordinance Amendments

#### AMENDMENT NUMBER 1

In SECTION III, paragraph I 2e, change the first sentence to read:

No wetlands may be used to satisfy minimum lot size requirements except in the Rural/Agricultural District where wetlands may be used to satisfy up to two (2) acres of the lot size requirement.

#### AMENDMENT NUMBER 2

In SECTION IV, paragraph J, add the following sentence:

No non-residential building or structure, including towers and antennas, shall extend more than fifty (50) feet above the ground except that special exceptions to this height restriction may be granted by the Board of Adjustment for silos for storage of feed crops or other farm buildings, church towers, water storage structures or amateur radio antennas.

#### AMENDMENT NUMBER 3

In SECTION III, change paragraph E 2 to read:

No building shall house more than four (4) families as permanent residents. The lot size shall not be less than one (1) acre for each dwelling unit and off-street parking for two (2) cars for each dwelling unit must be provided.

#### AMENDMENT NUMBER 4

In Section III, change paragraph G 4 to read:

Industry is not permitted in this District, however, all

AMENDMENT NUMBER 4 (CONT.)

other regulations and restrictions applicable in the General Residence District are also applicable in the Rural/Agricultural District.

AMENDMENT NUMBER 5

In SECTION IV, make the following changes to paragraph H:

DELETE: "upon receipt of written permit following application to the Board of Selectmen. Such permit shall be limited to one (1) such sale not to exceed three (3) continuous days. A maximum of three (3) permits per year may be granted in any one calendar year"

ADD: "Yard sales may be held only on weekends."

AMENDMENT NUMBER 6

In SECTION V, add the following sentence to paragraph 1:

However, additions to existing buildings that are in violation of setbacks will be allowed if the addition does not encroach any further than the existing building.

**Property Tax Assessment Exemption**

"Shall we adopt the provisions of RSA 72:37 for the exemption for the blind from the assessed value of residential real estate for property tax purposes? This statute provides that every inhabitant who is legally blind shall be exempt each year, for property tax purposes, from the assessed value on a residence to the value of \$15,000."

Town Meeting will recess until 7:00 P.M. on Friday, March 12, 1993 when Article 2 and the remaining articles of the warrant will be acted upon.

Article 2: To hear the reports of agents, auditors, standing committees, or other officers heretofore chosen and to pass any vote relative thereto.

Article 3: To see if the Town will vote to authorize the Selectmen to transfer and convey property acquired by the Town by tax collector's deed by public auction (or advertised sealed bid) or in such other manner as determined by the Selectmen as justice may require.

Article 4: To see if the Town will authorize the Selectmen to borrow such sums as are necessary to defray Town charges in anticipation of taxes.

Article 5: To see if the municipality will vote to authorize the board of selectmen to apply for, receive and expend federal and state grants which may become available during the course of the year, in accordance with RSA 31:95-b and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the municipality may legally appropriate money. (Marjority vote required).

Article 6: To see if the municipality will vote to authorize the Board of Selectmen to accept gifts of personal property, other than cash, to the municipality for any public purposes. This authorization in accordance with RSA 31:95-e shall remain in effect until rescinded by a vote of the municipal meeting. (Majority vote required).

Article 7: To see if the municipality will vote to authorize the public library trustees to apply for, accept and expend, without further action by the town meeting, money from state, federal or other governmental unit or a private source which becomes available during the fiscal year, in accordance with RSA 202-A:4-c.

Article 8: To see if the municipality will vote to raise and appropriate the sum of fifty thousand dollars (\$50,000) toward the completion of the Oak Park Recreation area. Twenty-five thousand dollars (\$25,000) to be expended through the Federal Land and Water Conservation Fund grant funds, eighteen thousand (\$18,000) to be received through donations, contributions and fund raisers and the balance of seven thousand (\$7,000) to be raised by tax dollars.

Article 9: To see if the municipality will vote to raise and appropriate a sum of seventy-six thousand, five hundred twenty-two dollars (\$76,522) to support the Police Department to be allocated as follows:

Town Election - March 10, 1992, Continued

SUPERVISOR OF THE CHECK LIST FOR TWO YEARS - Alice Weldon and Linda Dodge each received 10 write in votes. (20 other write in votes recorded but none with significant numbers to be elected) Therefore Supervisor for two years will need to be appointed.

SUPERVISOR OF THE CHECKLIST FOR SIX YEARS - (24 write in votes, none with enough votes to be elected) Therefore Supervisor for six years will need to be appointed.

CONVAL SCHOOL DISTRICT - MODERATOR FOR ONE YEAR - Gary W. Gagnon received 223 votes, David Irwin received 65 votes (2 write ins) results will be announced by School Office.

#### ARTICLE 1B - Proposed Amendments to Zoning Ordinances

AMENDMENT 1 - Are you in favor of the adoption of AMENDMENT NO. 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amendment No 1 would limit "Home Produce and Products" to certain agricultural products grown on the property but would allow, with some restrictions, the sale of agricultural products grown off the property at individual farm stands.

YES 247

NO 85

AMENDMENT 2 - Are you in favor of the adoption of AMENDMENT NO. 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amendment No. 2 would reduce the acreage requirement for a lot in the Rural/Agricultural District to four acres.

YES 217

NO 116

AMENDMENT 3 - Are you in favor of adoption of AMENDMENT NO. 3 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amendment No. 3 would place a one year moratorium on the construction of a tower or antenna if the top extends more than fifty (50) feet above the ground, exempting however, any such proposed constructions currently before the Planning Board.

YES 183

NO 141

AMENDMENT 4 - Are you in favor of the adoption of AMENDMENT NO. 4 as proposed by a petition of voters for the Town Zoning Ordinance as follows:

Amendment No. 4 would alter the boundaries of the Business and Village Districts so that the Greenfield Inn, currently in the Village District, would be in the Business District.

The Greenfield Planning Board is not in favor of this amendment.

YES 140

NO 194

## TOWN MEETING 1992

Town meeting reconvened on March 13, 1992 at 7:00 p.m., Moderator, Peter Hopkins read State of Ballot. Before continuing a review of the House rules 1. No Smoking in Hall, if you need to smoke please go outside the building. 2. Unless otherwise specified at beginning of this meeting articles will be presented in order as printed. 3. When you wish to speak to an article, wait to be recognized, stand and state your name. 4. Please stick to the issue when speaking. 5. Any person wishing to speak to an article a second time must wait until everyone who wishes to speak to article has spoken. 6. No article will be passed over. 7. Person making a motion will be allowed to speak last to motion. 8. Motions to be made must be put in writing so that clerk can be sure of correct working. 9. Vote will be by voice vote, when not distinguishable, then you will be asked to raise card, blue for yes and yellow for no. 10. No article will be reconsidered after vote has been taken. 11. If you feel Moderator has made a mistake you can call point of order on Moderator ruling and Assembly may vote on issue.

Meeting proceeded with Moderator reading Article #2 of the warrant.

Article 2. Motion made and seconded to hear the reports of agents, auditors, standing committees, or other officers heretofore chosen and to pass any vote relative thereto. Administrative Assistant, Adele Gagnon pointed out a few typing errors noted in Town Report. Motion passed in affirmative.

Article 3. Motion made and seconded to see if the Town will vote to authorize the Selectmen to transfer and convey property acquired by the Town by Tax collector's deed by public auction (or advertised sealed bid) or in such other manner as determined by the Selectmen as justice may require or take any action relative thereto. Motion made to amend by adding to article after the word justice the following, "Also, to transfer any tax lien upon real estate acquired by a town or city as a result of the execution of the lien by the tax collector for nonpayment of taxes during the two year period allowed for redemption." The merits as explained to this proposal were to improve the cash flow problem for the town. We would lose the interest but would gain in that we would not have to borrow moneys to meet charges by having outside buyer of tax lien. Vote on amendment negative. Vote on article as written in the affirmative.

Article 4. Motion made and seconded to see if the Town will authorize the Selectmen to borrow such sums as are necessary to defray Town charges in anticipation of taxes or take any action relative thereto. Vote in the affirmative.

Article 5. Motion made and seconded to see if the Town will authorize the Selectmen to apply for, accept and expend without further action by Town Meeting, money from the state, federal, or governmental unit, or private source which becomes available during the year or take any action relative thereto. Vote in the affirmative.

Article 6. Motion made and seconded to see if the Town will vote to authorize the Selectmen to accept legacies and gifts given the Town

in trust or otherwise by any individual or group of individuals or take any action relative thereto. Vote in the affirmative.

Article 7. Motion made and seconded to raise and appropriate the sum of sixty-thousand, three hundred seventy-six dollars (\$60,376) to support the Police Department or take any action relative thereto. Chief Gagnon explained this consisted of a 50 cent an hour raise for part time patrolmen, a cut back on number of hours, cut back on gas, \$400 for a computer bought for the Department; and since experiencing a problem with radio, \$1100 proposed to replace. Vote in the affirmative.

Article 8. Motion made and seconded to raise and appropriate the sum of twenty-eight thousand, one hundred fifty dollars (\$28,150) for the support of the Fire Department or take any action relative thereto. It was suggested that the item New Equipment be changed to Replacement - since this was to replace hose etc. Vote in the affirmative.

Article 9. Motion made and seconded to see if the Town will vote to raise and appropriate the sum of five thousand, nine hundred dollars (\$5,900) for three (3) Scott air pacs and six (6) pass alarms for the fire department. Jim Conway, Fire Department Chief, stated that the plan was each year to purchase a portion of these items until eventually all firemen would be equipped. Vote in the affirmative.

Article 10. Motion made and seconded to see if the town will vote to raise and appropriate the sum of one hundred sixty-four thousand, nine hundred fifty-one dollars (\$164,951) for the support of the Department of Public Works or take and action relative thereto. Vote in the affirmative.

Article 11. Motion made and seconded to see if the Town will vote to authorize the Selectmen to enter into a lease agreement for the purpose of leasing a John Deere road grader for the Highway Department, and to raise and appropriate the sum of fourteen thousand, five hundred sixteen dollars (\$14,516) for that purpose or take any action relative thereto. It was explained we have two more years of leasing then we can purchase for \$1. Vote in the affirmative.

Article 12. Motion made and seconded to see if the Town will vote to raise and appropriate the sum of fifty-six thousand, seven hundred thirty-four dollars (\$56,734) for the support of the Recycling Center or take any action relative thereto. Sharon Gordon proposed amending article to read a total of \$50,734 to be broken down as follows:

Wages	\$16,224
Wages p/t	360
Wilton Recycling	32,550
Fuel	1,000
Misc.	600

\$50,734

Sharon proposes this reduction because of the discrepancy in number of residents in Greenfield. They are counting students at Crotched Mountain Rehabilitation Center and the Rehab. Center does not even

use the Wilton Recycling Center, so the proposal would reduce our part of the budget proportionately. Amendment voted in the affirmative. Article voted in the affirmative.

Article 13. Motion made and seconded to see if the Town will vote to raise and appropriate the sum of two thousand, two hundred five dollars (2,205) for the support of the Monadnock Family Services, St. Joseph Community Services and Home Health Care & Community Services or take any action relative thereto. Vote in the affirmative.

Article 14. Motion made and seconded to see if the Town will vote to raise and appropriate the sum of thirteen thousand dollars (\$13,000) for the support of the Recreation Department. Ten thousand, six hundred dollars (\$10,600) for the support of the recreation programs and two thousand, six hundred dollars (\$2,600) for a life guard at Sunset Lake Beach. Five thousand, two hundred sixty-five dollars (\$5,265) to be raised through taxes and seven thousand, seven hundred thirty-five (\$7,735) to be raised through fees and charges, or take any action relative thereto. The Selectmen decided to pay a small remuneration fee to the Director of the Department of \$400, which is included in the budget as quoted. Vote in the affirmative.

Article 15. Moved and seconded to see if the Town will vote to raise and appropriate the sum of nineteen thousand, four hundred nineteen dollars (\$19,419) for the support of the Stephenson Memorial Library or take any action relative thereto. Vote in the affirmative.

Article 16. Moved and seconded to see if the Town will vote to raise and appropriate the sum of one thousand dollars (\$1,000) to hire a consultant to survey the needs of the town hall and town office building in regard to the new Disabilities Act and State Fire Marshall recommendations or take any action relative thereto. Vote in the affirmative.

Article 17. Moved and seconded to see if the Town will vote to raise and appropriate the sum of seven thousand, five hundred dollars (\$7,500) for new computer software which will support the tax collector's, treasurer's and accounting needs of the town or take any action relative thereto. Vote in the affirmative.

Article 18. Moved and seconded to see if the Town will vote to raise and appropriate the sum of two hundred sixty-five thousand, eight hundred fifty-five dollars (\$265,855) for the operation and maintenance of town property and any other charges arising within the town or take any action relative thereto. Sharon Gordon proposed an amendment to reduce the total to \$463,155, by changing a couple of the line items. "Increase legal fees from 9,000 to 12,000, Other General Government increase to \$2,300 for microfilming old town records and printing of town report, and decreasing the item Interest on TAN notes by \$8,000 bringing total to \$263,155." Tom Welden, Chairman of Budget Committee recommended that the \$8,000 be kept in the item Interest on TAN notes bringing total to \$271,155. Amendment bringing total to \$271,155 voted in affirmative. Jeffrey Lacourse proposed amending the article "to see if the Town will vote to raise and appropriate the sum of \$271,155 for the operation and maintenance of Town property and any other charges arising within the town as proposed. \$266,155 to be raised through taxes and \$5,000 to be raised through fees and charges by the Oark Park Committee. Amendment voted in the affirmative. A

further proposal proposed to take \$1,000 from legal fees and place in an account called a Remediation Fee, so that instead of spending all this money on lawyers we try to get our differences settled by remediation. Total would remain the same (\$66,155) to be raised by taxes. Vote in the affirmative.

Article 19. Moved and seconded to see if the Town will vote to change the position of Overseer of Public Welfare from an elected position to one appointed by the Board of Selectmen or take any action relative thereto. Vote in the affirmative.

Article 20. Moved and seconded to see if the Town will vote to Direct the Board of Selectmen to file an official request to update and improve Greenfield's local calling area with the Public Relations Dept. of New England Telephone Co. or take any action relative thereto. It was explained this would be at no cost to the town. Vote in the affirmative.

Article 21. Moved and seconded to transact any other business that may legally come before this meeting or take any action relative thereto. Motion proposed to have the Selectmen's Office open 5 days a week to public instead of just three. David Martin proposed that the Office only be closed 1 day a week. It was felt that if anyone needed to talk to anyone in the office they could always make a special appointment, but this time was needed in order for the people in the office to be able to accomplish the work they needed to do. Vote by show of cards, Yes - 25 and No - 41. Motion defeated. It was announced that the Selectmen were in on Wednesday evenings from 7-9 p.m., if there is need for further discussion concerning this or any matter public may need to discuss.

Meeting adjourned at 9:50 p.m.

Respectfully submitted

Frances F. Kendall  
Greenfield Town Clerk

TOWN WARRANT

Town of Greenfield  
State of New Hampshire

To the inhabitants of the Town of Greenfield in the County of Hillsborough and State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Meeting House in said Greenfield on Tuesday, the twenty-first day of July, next, to act on the following subject. The polls will be open at the Town Meeting House from 11:00 Am to 8:00 PM.

Article 1: To vote by ballot on one proposed amendment to the Zoning Ordinance.

Zoning Ordinance Amendment

In SECTION III, Paragraph B, delete the following:

Along the south side of Forest Road to the northeast corner of the Library property; thence

To a point on the southern boundary of the Mangini property that is 400 feet east of Slip Road; thence

In place of the deleted sentences, add the following:

Easterly along the south side of Forest Road to the northeast Corner of the lot now (1992) owned by G.M. Realty Trust (the Greenfield Inn); thence

Southerly along the Eastern boundary of the G.M. Realty Trust Lot; thence

**SPECIAL TOWN MEETING**

July 21, 1992

Meeting was called to order by Moderator, Peter Hopkins, who read the Warrant to vote on proposed amendment to Zoning Ordinance submitted by petition. Voter Checklist was read by Cheryl McDaniel, Supervisor of the Checklist with 688 voters listed.

Polls opened at 11 a.m. and closed at 8 p.m. after which the ballots were counted. Moderator announced protest petition had been filed which would require a 2/3 vote for passage of Ordinance. Absentee ballots to be counted at 3 p.m.

244 ballots were cast 8 of which were absentee.

**PROPOSED AMENDMENT:**

Are you in favor of the adoption of an amendment to the Zoning Ordinance as proposed by a petition of voters which would alter the boundaries of the Business and Village Districts so that the entire Greenfield Inn lot would be in the Business District.

The Greenfield Planning Board is not in favor of this amendment.

YES 100

The last days of 1992, December 30th to be exact, saw the final conversion to the new computer software system voted on at our Town Meeting last March. This installation culminated many months of study, presentations, comparisons and price checking. The software of six different companies currently doing business in New Hampshire was carefully examined by your Tax Collector, Administrative Assistant and three computer experts from Greenfield. Much credit and many thanks go to Steve Anthony, John Buford and Jeff Lacourse for their time and professional expertise. The advice and recommendations given by them helped us immeasurably in determining which company to contract with. Our new software is provided by The Computer Center in Falmouth, Maine, an international company whose primary concentration of accounts is in the Northeast. This company was given excellent reviews by the various towns that use their services, including Peterborough and Goffstown. We look forward to a mutually beneficial working relationship with The Computer Center and feel confident that their software will provide the accurate and efficient results that our townspeople deserve.

Respectfully submitted,  
Robert C. Geisel, Jr.  
Tax Collector

## TOWN JOURNAL

Greenfield ushered in 1992 with the appointment of Gary Gagnon as our new police chief. At a public reception on January 19 residents had an opportunity to meet the "Singing Sergeant" from Antrim who is serving us well, enthusiastically and singing for us.

At the February meeting of the Historical Society, Galina Gladkova from Belgorod, Russia gave the historical background of the current changes in Russia. She is here on a cultural exchange program and is teaching Russian at Keene State College.

The World Day of Prayer Worship service -- "Living Wisely with Creation" for Greenfield, Frankestown and New Boston was held at the Greenfield Church sponsored by the Women's Fellowship.

The Selectmen set a \$100 rental fee per day, with a security deposit of \$200, for Oak Park. They also learned that Otter Lake Conservation School/Camp Union will close in June because they cannot afford to pay the town taxes on their 320-acre facility.

During National Library Week in April the Library Trustees held an open meeting where the architect presented the conceptual design for the enhancement of the Library to meet New Hampshire and federal codes for safety and accessibility.

The Annual Game Supper was held sponsored by the Sportsmen's Club who gave the proceeds to the fire department for equipment refurbishing.

Aids Quilts for Babies project in the area came from Nancy Gagnon and Nadeane Carlisle who quilt weekly here in Greenfield and have been encouraging others to work for this project. These are used in hospitals and give "the nurses a morale boost by showing that someone cares".

PRIDE sponsored the second annual May Days - sprucing up their properties - owners asked to consider flowers and the Flea Market which was not held due to a mix-up in mail dates.

The final campfire for Otter Lake Conservation School was held June 11, 1992 led by Dwayne Denehy and John Dery. The children of the Daniels School of Keene were escorted to their sleeping quarters by candlelight following the impressive ceremony. On Sunday the staff buried a time capsule, which will be opened June 14, 2010, containing memorabilia prepared specifically for the capsule by the children, personal written testimonies and artifacts from the staff. Mrs. Waldo Stone, wife of the founder, was present to add a bit of history and memorabilia.

A second Annual Field Day was held at Crotched Mt. Rehabilitation Center marking the Implementation of the 1990 Americans with Disabilities Act. With family entertainment and good food all free over 700 attended this exciting day.

## TOWN JOURNAL (2)

Several outstanding citizens died this year - Wayland Russell, Native, oral-historian, and Veteran mechanic; Arthur J. Gagnon, Car Dealer, Carpenter, and farmer; Aime Metivier, Road Agent and Selectman; Florance Merchant, Nurse & Selectwoman; Carroll B. Sleeper, Antique Car Specialist and Disability Veteran - all are missed and have left their special mark in Greenfield.

'92 was not without problems for the town. For the third time it was NO to the Greenfield Inn. At the special Town Meeting in July when the Inn was attempting to be included in the town's business district the vote was 144 against, 100 for it; in March of 1990 of 358 voting, 143 were for it; in March this year 146 of 340 were in favor of the change. (2/3 is required)

The school septic system was finally resolved so that the new Kindergarten opened on time.

On August 19th the Board of Selectmen signed the Cable Television Franchise agreement with First Carolina Cable TV of Springfield, VT.

After many, many meetings the Greenfield Citizens Association has offered to purchase the Sportsmen's Club land so that they purchase land for their rifle range in a suitable location. The Sportsmen's Club held their annual Hunter Safety Course, known throughout the state, in October.

The police discovered marijuana growing amid tomatoe plants in a person's garden at the lake.

The Little Red Wagon of UNH gave its annual program at the concluding ceremony of the Library's summer Reading program - "Explore with Books to Discover New Worlds". For the Library Building Fund the Trustees have had a successful Old Time Vaudeville Show, Treasure & Book Sale, and Dr. Richard Lederer.

Monadnock Habitat for Humanity helped create an extended family home for developmentally disabled persons at Ploughshare Farm. The Food Pantry operated under the direction of the Reverend Danial Osgood has had extended use this eyar.

The Annual Harvest fair of the Greenfield Woman's Club was again a successful venture which will give the Club funds to assist with Town Projects.

The Oak Park Festival was held at a later date this year in September with the Tractor Club Competition. Oak Park Committee dreams are becoming a reality - a Pavilion has been erected and the State Recreation Department has awarded Greenfield a \$25,000 grant to be matched in dollars or labor which assures the completion of the Oak Park plans.

The artistic Snowflake Fair had the weather cooperate this year with real snowflakes. This event ending with a spaghetti supper served by the men helped the church through the sponsorship of the Women's Fellowship.

### TOWN JOURNAL (3)

The injured Gilbert tree on the Library lawn was finally removed and a small fir was planted on the side lawn which was lighted for the Holiday Season. The Christmas Eve candlelight service and the Living Nativity at the church (in spite of the high wind) were appreciated by many.

Fred Simmons, a Greenfield musician with diverse styles, has released a new tape FRED AND FRIENDS, which features music by his two bands -- Tattoo, an acoustic, non-amplified instrumental group, and The Flextones, a rock and roll dance band.

Librarian Velma Stone was given an overwhelming surprise party at the Meeting House in honor of her 80th birthday.

The crowning event of the year was at the Historical Society's Christmas Open House at the home of John & Susan Knight when Selectman Robert Smith presented the Boston Post cane to 91-year old Anne Carbee. Traditionally, The Boston Post cane is passed to the town's oldest citizen. Anne has been a summer resident since 1936 and a permanent resident since 1948 when she and her husband Roland started the Greenfield Industries. She still tends the Gift Shop three afternoons a week and has never missed a vote.

There's a challenge for each Greenfield resident!

BOARD OF SELECTMEN  
ANNUAL REPORT

Growth has still been progressing at a slow pace for the past year. Of the 38 Building Permits issued, seven were for new homes. Another indicator of poor times is the fact that six permits were issued for housing additions.

Much of our efforts for the past year were devoted to balancing the budget under adverse conditions. Our tax base has been seriously eroded by abuse of Current Use. In 1991 1,602 acres were put into Current Use with a reduction of \$5,565,724 in the tax base. An additional \$3,391,827 loss in the tax base occurred when 1,318 acres went into Current Use in 1992. We have made large strides in getting taxes and payment in lieu of taxes from entities previously classified as exempt. We also found it necessary to conduct tax sale. Further insight into the Town's cash flow problems can be gained by reading the Tax Collector's report. The 1990, 1991 tax short fall is \$367,116; added to this is a figure of \$459,467 for 1992.

Recognizing that these are hard times for many, this Board has permitted taxes to be paid in installments as permitted by the RSA's. This affords the troubled tax payer a corresponding reduction in interest.

The cemetery fence was not completed as previously planned, but what was done is a notable improvement. It is planned to complete the job in 1993. The Greenfield Sportsman's Club and many other volunteers deserve our deepest thanks.

Disabled access to our public buildings is still in its formative stages. This is a complex project hampered by poorly thought out Federal directives.

James Grant was elected to the Board of Selectmen for a three year Term. Gary Gagnon was appointed as Police Chief. Richard Weston was reappointed as Superintendent of Public Works for one year, and Carolyn Woodbury was appointed program coordinator for the Recreation Department for one year. Early in the year a committee was formed to study the alternatives in disposing of our solid waste. Recycling is here to stay; we are looking for the most cost effective way to do it.

As is common to small towns, the Town prospers through the efforts of its volunteers. The Board of Selectmen wish to offer our deepest appreciation to all of our volunteers and elected officials for a good job well done.

Robert V. Smith, Chairman  
Michael A. Sparling  
James I. Grant

## DEPARTMENT OF PUBLIC WORKS

Although economic times didn't improve money restraints in 1992 the Department of Public Works did manage to complete quite a few scheduled projects.

On Old Mountain Road we were able to hot top about 2,000 feet of roadway. About 900 feet remains to be finished this year, completing the hot top to the Peterborough town line. This was scheduled for completion years ago.

Other roads such as Sunset Lake Road, Zephyr Lake Road and Leo Brooks Road were all regravled. This will greatly improve their traveled surface.

The remainder of Old Thomas Road was also widened, ditched and regravled. As planned, Fletcher Farm Road from Miner Road, to the farm itself was widened and regravled. New culverts were installed, rocks removed, brush cut and ditches cleaned. This will improve our ability to remove snow while also improving traffic flow.

We were fortunate to have the help of state prisoners again in 1992 through the Free Prisoner Work Program offered by the state. With their help the Town Office building was painted and brush was cut on County Road.

In 1993 the Department of Public Works will continue the usual maintenance of roads to insure accessibility and safety. Projects will be planned by priority and available money.

The Department thanks the Select People, Town Committees and Citizens of Greenfield for their continued support and cooperation.

Respectfully,

Richard Weston  
Supt. of Public Works

## STEPHENSON MEMORIAL LIBRARY

During January and February three meetings were held between the library building committee and Mr. Rudy Houk of Architect's Planning Team to develop a conceptual design for safety and accessibility enhancements to the library building. The initial meeting was devoted to a discussion of the fire safety hazards, handicapped accessibility requirements, and a wide range of solutions. At the second meeting, Mr. Houk presented four options for the building committee to review. Committee members voted unanimously in favor of one particular option, which was the subject of the third and final meeting. During the third meeting, Mr. Houk presented some fairly detailed sketches of the selected conceptual design. He also provided the building committee with estimated construction costs.

A special meeting was held on April 9th to present the findings of the library building committee to the townspeople. Approximately 30 people attended. Using a overhead projector, Mr. Houk explained in great detail the long, collaborative process he and the building committee went through to arrive at the selected design. Library trustees and building committee members then answered questions from the audience.

Our librarian, Velma Stone, was her usual energetic self this past year, attending meetings of the Nubanusit Library Cooperative, New Hampshire Library Association, and any other meeting that held the possibility of helping our library in some way.

Thirty-one children registered for the 1992 summer reading program. Entitled "Explore Books to Discover New Worlds," the very successful program culminated in the annual visit by UNH's Little Red Wagon on July 31. Seventeen children and 17 adults were in attendance.

Another library-related activity this past year was an old time vaudeville show, including a take-off on Shakespeare's Merchant of Venice. This combination of humor, music, and home-grown theater was organized and directed by Velma Stone. Sold out performances were held at the town meeting house July 17th and 18th, and proceeds were donated to the newly established library building fund.

The final benefit for the library building fund during 1992 was a speaking performance by Dr. Richard Lederer in November. Held at the Lucy Hurlin Theater at ConVal High School, Dr. Lederer regaled the audience with funny stories, puns, anecdotes, and passages from some of his several books. The library benefited both as a result of ticket sales and a percentage of the sale price of Dr. Lederer's books.

Finally, it should be noted that library circulation for 1992 was 6,600. This marks an increase of 944, or 16.5%, over 1991.

## CONSERVATION COMMISSION

### 1992 ANNUAL REPORT

The Conservation Commission has not had much business to conduct in the past year since very little building has been done. There have evidently been few applications before the Planning Board and ZBA needing our input.

For a fourth year we participated in the NH Volunteer Lake Assessment Program run by the NH Department of Environmental Services. We are monitoring the quality of the water in Sunset and Zephyr Lakes.

During June, July & August we collect and transport water samples to the state labs in Concord. In exchange for our labor, the town pays only a small fee for the water tests. In addition the state writes a report on each lake, interpreting the results of the tests. Keeping records over a number of years makes it possible to see potential threats to water quality. We also have the expertise of the state biologists available to us at no cost.

Last fall a property owner on Sunset Lake became concerned about the quality of the water in the lake and his well. He also wanted to learn how to maximize his septic system. We supplied him with a lot of background information. He has asked our help to explore the possibility of forming a Lake Association.

In December we took part in the Annual Christmas Bird Count headed up, in this area, by the Harris Center. Several people in town took part for the first time. Everyone is welcome to help - you need not be an expert.

The Conservation Commission has several functions. We work in concert with the other boards and organizations in town, as well as various state and local groups. We also are available as a resource to anyone in town with a question or concern. Feel free to contact any member or attend our monthly meeting. (3rd Wednesday at 7:30 p.m.)

Roger Bathalon  
Carl Ingelstrom  
Victor King  
Linda Ohlson, Clerk  
George Rainier  
Steve White, Chairman

## BUDGET COMMITTEE REPORT

The Budget Committee worked carefully, once again, with department heads and the selectmen to achieve a fair but affordable budget. We have ended up supporting a budget that will be about 4% higher than last year but which shouldn't lead to an increase in taxes due to increased revenue.

We approve Article 8 to raise \$7,000 to receive the \$25,000 grant, but feel concern that these funds be properly spent as to avoid problems such as we are now having with the building at Oak Park.

We would like to amend, and will from the floor, article 10 to raise and appropriate the sum of \$4,500 for the purpose of an emergency fund to replace the cruiser in the event it is no longer operable.

The Selectmen and Budget Committee were split on the question of raises, four for and four against. This budget has no raises for any department with the exception of the library. We recommend removing the proposed library raises unless the Town makes an amendment to grant raises for all departments.

Article 17 is unanimously disapproved by this board. This amount would increase by 20% what we would need to raise by taxes. We have elected not to increase wages due to tight financial times, where with a 3% across the board increase, as compared to Article 17, we would only be raising about \$5,500. We do feel that alternatives should be explored to making the library safe and accessible and be implemented along with a program for making the town offices and hall accessible.

We would like to thank all the department heads and Selectmen for the many hours of time which was spent with us working on this budget.

Respectfully submitted,

Tom Welden, Chairman  
Judy Gryval, Co-Chair  
Nancy Aldrich  
Marilyn Hedstrom  
David Martin

## ANNUAL REPORT

## ADMINISTRATIVE ASSISTANT

I'd like to take this opportunity to explain some of the differences you will see in the budget report for 1993 and also review some of the special articles which appear.

In taking into account the new accounting system which has been established, we have allocated all employee benefits to the appropriate departments. This has resulted in the elimination of the line item for personnel administration and a large decrease under the insurance category. As a result of allocating taxes and insurances to the various departments, it appears that some of the departments have had large increases in their budgets when, in fact, they have not.

Under special articles, Oak Park Grant project appears to be an alarming figure at first, but is offset by contributions and grant monies of all but \$7,000. This \$7,000 is a "safety net" and "security blanket" to ensure the successful completion of our state approved projects. If donations continue as they have over the last several years and with successful fund raisers, it is very possible that we will not use the \$7,000. Knowing we have until December 1994 to complete our projects enables us to conduct several fund raisers to offset the costs.

The article for the addition to the Library is also a sizable amount. At this printing, it is not known what contributions will be available to help offset this cost, but it is understood that there will be an amendment to the article at town meeting to address this.

On the last page of our budget, you will note that the amount to be raised by taxes is \$57,000. more than what was figured to set our tax rate for 1992. It should be remembered that this does not take into consideration any abatements which may be issued during the year or increases in building assessments. Abatements would increase our tax rate and building assessments would decrease the tax rate.

We were unable to complete the energy grant projects in 1992, but should be able to in 1993. We were successful, however, in purchasing new computer software which Bob Geisel has recapped in his tax collector's report.

Respectfully submitted,

Adele Gagnon  
Administrative Assistant

## REPORT OF THE GREENFIELD POLICE DEPARTMENT

My first year as your police chief has been a very exciting one. I think I have finally learned most of the different names that many of the roads have. (Trivia question: what is the name of the road across the intersection from Thomas Rd.)

Through drug education grants I have been able to secure a TV, VCR, camcorder, 35 mm camera and related supplies for the Town. More grants are pending for speed and DWI patrols and other police related items.

The Drug Abuse Resistance Education (D.A.R.E.) program was taught to students at Crotched Mountain, a presentation that benefited the students and me.

All of the town employees have been very friendly, helpful and accommodating. Such is not always the case in other towns where each department is only out for themselves.

I have discovered that being the chief of police in Greenfield means more than just catching criminals. I have dressed up as Santa Claus, led a parade, sang in an opera, painted crosswalks and chased dogs up and down Forest Road, among many other non-traditional duties.

Greenfield has had its share of law enforcement issues this year as well. We investigated several sexual assault-related incidents, both juvenile and adult.

Burglaries were down in 1992, with many of them solved. One young man told me that he was surprised he was caught. He figured a small town like Greenfield would not have any patrol, but learned the truth shortly after his burglary. I think that the patrol coverage Greenfield receives is a definite deterrent to crime. We have been fortunate, and have not fallen victim to the burglary rings that have plagued surrounding towns (knock wood).

The Police Study Committee that met in early 1992 did considerable study of the police department and came to the conclusion that the town is well served by the department that now exists. I plan to keep the department's size as is. Our little computer has been kept busy and full, but it has served to preclude the need for a secretary.

We are extremely fortunate to have the officers we have in Greenfield, I cannot emphasize this enough. They provide stability and professionalism to the Greenfield Police Department. They have been the source of many favorable comments from citizens and other law enforcement officials.

The department stands ready to serve any of you in most any capacity. Please do not hesitate to call 1-352-1100 (a free call) if you need to speak with an officer. 547-2525 has an answering machine and might not serve you as well.

The Greenfield Police Department wrote 729 reports of one kind or another in 1992. There are also a large number of other activities that the department engages in that do not require reports, but I need to keep track of them anyway in order to evaluate shift activity. Everything, including the above reports, totaled 4288 items of activity; 4289, if you include singing in Velma's show. There is plenty to do in Greenfield.

The department will strive to provide the town all the services it desires and needs in the most efficient manner possible. I am open to suggestions and requests from anyone. If you have a suggestion that will provide better police service I hope that you will inform me of this rather than wait until it is too late.

I commend the citizens of Greenfield for their concern for their neighbors and their Town. Working together we continue to keep Greenfield a safe town in which to live.

The following is a brief compilation of statistics for your perusal.

Juvenile.....	25	Reports written:	
Building Checks.....	1329		729
Investigating Circumstances....	466	Activity items:	
Arrests.....	38		4288
Traffic warning.....	664	Cruiser mileage:	
Animal Complaint.....	81		103,588 (2/1/93)
Domestics.....	23	Horses corralled:	
Assist other agency.....	226		5
DWI.....	6		
Accident.....	43		
Thefts.....	23		

Respectfully submitted,

Chief Gary W. Gagnon

for the Greenfield Police Department

Sergeant Scott Quilty  
Officer Andy Wood  
Officer Nick Weeks  
Officer Steve Bell

## PLANNING BOARD

In spite of the reduced economic activity in the Northeast and New Hampshire in particular, the Greenfield Planning Board had an active year with three two-lot subdivisions, five site plan reviews and one excavation permit extension application. All three subdivisions were approved as were three of the site plan reviews. Approval of the excavation permit is pending.

At the March Town Meeting voters approved three amendments to the Zoning Ordinance which clarified the definition of home produce and products, reduced the minimum lot size in the Rural/Agricultural District from five acres to four acres, and placed a one year moratorium on the construction of towers and antennas greater than fifty feet in height. Voters defeated a proposal that would have adjusted the boundaries of the Business District to include the entire Greenfield Inn property.

The Board added a ROAD section to the Capital Improvement Plan thus completing that document. In addition, the town's master plan was amended to underscore the fact that there are, on the town's road network, areas that will severely restrict any appreciable increase in the flow of vehicular traffic. Any development in the vicinity of these areas must offer a solution to these restrictions.

Tom Bregani, Chairman

ANNUAL WELFARE REPORT  
1992 FISCAL YEAR

The Welfare Department this past year gave assistance to twelve families. Some assistance was for one month period only and others for two to three month periods. We budgeted \$15K and spent just over \$8K. Some families needed help due to illness of the breadwinner, others were hit very hard by employment layoffs. The people helped were about evenly divided among single people, families and single mothers.

The Welfare office is open for an hour each on Monday and Wednesday mornings and I am easily available by phone at other times. While I cannot issue vouchers by phone, I do receive phone calls for information. We are required by N.H. law to be readily available to people in need and as necessary I am generally available to meet with clients by appointment whenever the client is in emergency need or cannot come during regular hours.

On two occasions this year I have asked both the Congregational Church and St. Patricks in Bennington for help for individuals for medical expenses not covered by local general assistance. An important reason for this town's relatively low welfare expense is the unrecorded help the church has given to local citizens during the year regardless of the church affiliation of the individual.

Finally, I have gone to many of the monthly Welfare Administrators meetings in Concord where speakers have covered topics including current legislation, fuel assistance, legal issues, AIDS and state reimbursement programs to name several. The meetings are generally helpful and I am constantly reminded how fortunate we have been in Greenfield to have been spared the very heavy welfare expenses experienced by the larger towns and cities in the state this year.

Virginia Hillegass  
Welfare Administrator

ANNUAL REPORT  
OF THE  
ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment handled six cases during 1992. One of these is currently entering litigation - an old case from 7 years ago.

The Board of Adjustment operates to cover all expenses by fees involved in the application process provided no legal costs incur.

The Board of Adjustment will not increase the Town's Budget.

Respectfully submitted,

Joffree Barrnett  
Chairman

### BUILDING INSPECTOR'S REPORT

In 1992, a total of 38 building permits were issued, that is 2 less than in 1991. The following is a breakdown of those permits;

7 - New Homes	6 - Additions
1 - Pavillion	1 - Pole Barn
1 - Classroom	1 - Woodshed
1 - Screen House	1 - Workshop
4 - Signs	5 - Decks
2 - Roofs	4 - Renovations
4 - Structural Alterations	

Respectfully submitted,

Victor H. King  
Interim Building Inspector

## OAK PARK COMMITTEE

For the first time in several years, we did not organize a festival in August, but held some smaller events in its place.

With the loss of some of our most active members, it would have been very difficult to hold a festival, so we decided to take a rest. At this time we would like to thank Laura Sparling, Gail and Kerry Smith and Jennifer Frasier for all their wonderful, dedicated hours of help. Without them, we would not be where we are today.

This brings us to where we are today, in receipt of a \$25,000. matching grant from the State which will help complete our park. This has been such exciting news for us all! Everyone who has helped in any way to accomplish what we have to date, should be very proud to have been a participant. It has all paid off. Of the 39 applications received by the State, ours ranked third. It is still hard to believe that we are being given this opportunity to pretty much complete the recreation areas for so many different activities. In addressing the warrant article which we will vote on March 12th, we'd like to mention that all of our accomplishments thus far, with the exception of grounds maintenance, has not cost the town any tax dollars.

The grant money and everyone's continued contributions, will enable us to install a multi-use court for tennis, basketball and volley ball. It will also upgrade the old race track for biking, walking and jogging, provide equipment for the soccer and softball fields, plus some smaller projects.

To help with the funding for these projects, the Oak Park Committee has scheduled a day of various activities to be held on May 29th and on September 25th. Both of these days will include a giant flea market (always very popular), games for children as well as other events, some of which will be new ideas (possibly an exhibition of the Morris Dancers in September). So, watch for details and we hope to see you all there.

In closing, we'd like to thank everyone for their tremendous contributions, especially American Steel, East Coast Steel and their men for their large part in erecting the Pavilion. The remainder of the Pavilion project will be addressed next year at which time there may be additional grant money available. As always, we welcome new members, new ideas, and of course, your generous contributions in whatever form.

We look forward to working with a lot of you toward the completion of our wonderful park. As a final comment "Hooray for us"!!!

# OAK PARK COMMITTEE

## RECYCLING CENTER

We at the Recycling Center would like to thank all the dedicated recyclers who have helped in keeping the concept of an alternative to traditional waste management alive.

1992 has shown an increase in participation from the communities included in the Wilton Recycling Center. We have seen more recyclables arriving here and have been able to recycle a variety of new products. Citizen awareness and care for our environment has helped in removing still more items from an ever increasing trash stream.

This years household hazardous waste day went smoothly, much to the credit of Greenville policy committee member Joan MacPhee. We would like to thank her and all the volunteers for making it the success it was.

The Wilton Recycling Center is one of, if not the oldest, recycling centers in New England, and as it enters its maturity, we hope to continue to be in the forefront of recycling. Over the years, the information that has been gathered here has helped in the development of new technologies and processes in the waste management field throughout the country. We are still looked upon as a model center and our expertise has helped in the creation of new recycling centers in New Hampshire. Keep up the good work.

Respectfully submitted,  
A. Carl Wetherbee, Supervisor
